

Wanted: Sea Turtle Photographers

STC is looking for talented photographers for our seventh annual Sea Turtle Calendar Contest! The sea turtle calendar reminds people throughout the year that sea turtles need our help to survive, and contributing to the calendar is a great way to help spread the word about sea turtle conservation. We are only accepting photograph submissions for the 2015 calendar. Submissions should be sent to conserveturtles@gmail.com no later than **September 30, 2014** and must follow the criteria below:

- Include a brief description of the image as well as the location and date it was taken and the photographer's name.
 - Image must be submitted by the photographer or include written permission for submission from the photographer.
- Image must show turtles in a natural setting and follow turtle-friendly guidelines (i.e. no flash images of nesting sea turtles, no images of people handling sea turtles, etc.)
 - Image must be high resolution (300 dpi or more).

Winners will receive two free calendars and an STC logo t-shirt!

Here are some examples from last year's calendar:

By submitting your image to conserveturtles@gmail.com before September 30, 2014, you are granting STC rights to use your photography for the 2015 Sea Turtle Scenes Calendar and other STC education initiatives. STC will not distribute your image without your written permission. The winners will be announced in STC's monthly e-newsletter, Sea Turtle Talk, website and Facebook.
